

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office  
FLOOR DEBATE

May 30, 2001

LR 74, 258

previously announced. And, Mr. President, Senator Suttle would like to withdraw LR 74. That will be laid over. That's all that I have, Mr. President. (Legislative Journal pages 2314-2318.)

PRESIDENT MAURSTAD: Thank you, Mr. Clerk. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 258. Speaker Kristensen.

SPEAKER KRISTENSEN: Thank you, Mr. President. Members of the Legislature, I appreciate your patience this morning. We got a lot of work done. Tomorrow we will start at 9:00. We will break for lunch tomorrow. I know many of you like to have that last day with staff and so on. Senator Cudaback, I know you're going to take your staff out for lunch tomorrow (laughter) and...well, anyway, some...some do. But I...we will certainly break for lunch tomorrow. Depending on what...the length of debate that may occur, if we just read straight through probably midafternoon we would be completed. Now, obviously, there are probably going to be some motions to return, some other things that are there. There are some resolutions we're going to take up. I saw Senator Suttle just filed a motion to do a withdrawal. If you have some of those things would you please make sure you get to my office today before two o'clock to make sure I get...put everything that you need to have done on the agenda for tomorrow, resolutions and some clean-up items. So I don't know how long it will take tomorrow, it depends on how long we choose to debate and do our work, but the earliest would probably be midafternoon. There will be motions to kill bills at the end of the day and those sorts of things, some ending preparations that we need to do, and I'll try to put out the agenda and have it out by three o'clock today. We will primarily do Final Reading and a couple of resolutions tomorrow. With that, Mr. President, after you've had any chance to read in some items by the Clerk, I would move that we adjourn until tomorrow morning at 9:00 a.m.

PRESIDENT MAURSTAD: The motion is, shall the Legislature adjourn? Those in favor say aye. Opposed nay. The Legislature is adjourned.
